Vice Admiral E. T. Wooldridge, U. S. Navy
Commandant, The National War College
Washington 25, D. C.

Dear Admiral Wooldridge:

In further reference to your letter of June 6 concerning the Agency briefing of the new class of the College, attached is a copy of the schedule of presentations that have been arranged.

You will note that the program includes the participation of Mr. Dulles. He has expressed the wish to present this subject personally. However the date of his return is so close to 9 September, that it may well be impracticable for him personally to appear. In that event, the subject will be covered by another of our senior officers.

It will be a pleasure for us to welcome you and the others from the College on 9 September.

Sincerely,
